Against the Morini and the Menapii

Caesar leads an expedition against the Morini and the Menapii; they withdraw into their woods and swamps, from which they make an attack

Eodem fere tempore Caesar, etsi prope exacta iam aestas erat, tamen quod omni Gallia pacata Morini Menapiique super erant qui in armis essent neque ad eum umquam legatos de pace misissent, arbitratus id bellum celeriter confici posse, eo exercitum adduxit. Qui longe alia ratione ac reliqui Galli bellum gerere coeperunt. Nam quod intellegebant maximas nationes, quae proelio contendissent, pulsas superatasque esse, continentesque silvas ac paludes habebant, eo se suaque omnia contulerunt. Ad quarum initium silvarum cum Caesar pervenisset castraque munire instituisset neque hostis interim visus esset, dispersis in opere nostris subito ex omnibus partibus silvae evolaverunt et in nostros impetum fecerunt. **Nostri** celeriter arma ceperunt eosque in silvas reppulerunt et compluribus interfectis longius impeditioribus locis secuti paucos ex suis deperdiderunt.

The sack of Troy: how Deiphobus died

Deiphobus, the husband of Helen after Paris died, was betrayed by Helen to the Greeks and killed; in the Underworld his soul tells Aeneas what happened

namque ut supremam falsa inter gaudia noctem egerimus, nosti: et nimium meminisse necesse est. cum fatalis equus saltu super ardua venit
